INDEPENDENT AUDITORS' REPORT

Board of Directors
Selah Way Foundation
Chicago, Illinois

We have audited the accompanying financial statements of Selah Way Foundation, which comprise the statement of financial position as of December 31, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Selah Way Foundation as of December 31, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

SELAH WAY FOUNDATION

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2019

NOTE 1 – NATURE OF ORGANIZATION

Selah Way Foundation (“Foundation”) is an Illinois nonprofit corporation that was founded in 2018. The Foundation offers care for sex trafficking survivors. It is a global network of anti-sex trafficking service providers dedicated to eradicating this problem globally through three initiatives: Prevention, Protection, and Provision.

- Prevention educates and empowers children and interveners through customized, cutting-edge curriculums so that they can recognize signs of exploitation and discover the power of their voice to speak out against abuse.

- Protection trains first responders and medical professionals, in partnership with the Global Strategic Operatives Unit and former law enforcement officers. These experts train professionals working with individuals at-risk for and involved in exploitation on how to protect victims and take action against predators.

- Provision provides a safe haven for survivors of sexual exploitation to heal from trauma and receive restorative services.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements follows:

Basis of Accounting

The financial statements of Foundation have been prepared on the accrual basis of accounting in accordance with U.S. Generally Accepted Accounting Principles.

Accounting Policies

The Foundation follows accounting standards established by the Financial Accounting Standards Board (FASB) to ensure consistent reporting of financial condition, results of activities, and cash flows. Reference to Generally Accepted Accounting Principles (GAAP) in these footnotes is to the *FASB Accounting Standards Codification*, sometimes referred to as the Codification or ASC.

SELAH WAY FOUNDATION

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2019

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Financial Statement Presentation

The Foundation presents financial information pursuant to FASB Accounting Standards Codification *Not-for-Profit Entities: Presentation of Financial Statements (Subtopic 205)*, which establishes standards for external financial reporting by not-for-profit organizations and requires that resources be classified into distinct net asset categories according to externally (donor) imposed restrictions. In addition, the Foundation is required to present a statement of cash flows.

Net Assets Without Donor Restrictions – Net assets that are not subject to donor-imposed restrictions are net assets without donor restrictions. These assets include the revenues and expenses of the primary operations of the Foundation. Donor restricted contributions and grants whose restrictions are met in the same reporting period are reported as net assets without donor restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor or grant-imposed stipulations that may or will be met either by actions of the Foundation and/or the passage of time are classified as net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Cash and Cash Equivalents

The Foundation considers cash and cash equivalents to include checking and savings accounts.

Revenue Recognition

All contributions are considered to be available for unrestricted use unless specified by the donor. Contributions are recognized as revenues when the contributions are awarded. Revenue from grants is considered earned when it is expended in accordance with the agreement.

SELAH WAY FOUNDATION

NOTES TO FINANCIAL STATEMENTS

(Continued)

YEAR ENDED DECEMBER 31, 2019

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Pledges and Contributions Receivable

Pledges and Contributions receivable represents unconditional commitments made by donors. Contributions receivable that are expected to be collected in less than one year are reported at net realizable value. Contributions receivable that are expected to be collected in more than one year are recorded at fair value at the date of promise. That fair value is computed using a present value technique applied to anticipated cash flows. Amortization of the resulting discount is recognized as additional contribution revenue. Management determines a reserve for doubtful contributions receivable based on estimates of collectability with certain donors with past experience as well as a general reserve for the remaining amount. Based on a review of outstanding receivables, management determined that an allowance for doubtful accounts was not necessary at December 31, 2019.

Investments

The Foundation invests in various marketable securities. Investments in marketable securities with readily determinable fair values and all investments in debt securities are stated at their fair value in the statement of financial position. Investment income, realized gains (losses), and change in unrealized gains (losses) are reflected in the statements of activities. Investments received as contributions are recorded at fair value at the date of receipt. The Foundation's investment portfolio is subject to various risks, such as interest rate, credit, and overall market volatility. Because of these risks, it is possible that change in the fair value of investments may occur and that such changes could materially affect the Foundation's financial statements.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

SELAH WAY FOUNDATION

NOTES TO FINANCIAL STATEMENTS
(Continued)

YEAR ENDED DECEMBER 31, 2019

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Tax-Exempt Status

The Foundation is a tax-exempt organization under Section 501(c) (3) of the Internal Revenue Code and follows the accounting standard on accounting for uncertainty in income taxes, which addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance the Foundation may recognize the tax benefits from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Foundation and various positions related to potential sources of unrelated business taxable income. There were no unrecognized tax benefits identified or recorded as liabilities for the reporting period presented in the financial statements. As of and for the year ended December 31, 2019, management has determined that there are no uncertain tax positions. The Foundation files Form 990 in the U.S. federal jurisdiction and the State of Illinois.

Fair Value of Financial Instruments

The carrying amounts of cash and cash equivalents, investments, accrued liabilities approximate fair value because of the short term maturity of these financial instruments.

Functional Allocation of Expenses

The Foundation classifies its expenses into their functional categories. Expenses directly identified with a functional area are charged as such, whereby expenses affecting more than one area, are allocated based on estimates made by management.

Subsequent Events

The Foundation has evaluated subsequent events for potential recognition and/or disclosures through April 29, 2020, the date the financial statements were available to be issued.

NOTE 3 – CONCENTRATION OF CREDIT RISK

The Foundation maintains its cash checking accounts, which from time to time may exceed the federally insured limits of \$250,000. The Foundation has not experienced any losses in such accounts and believes that it is not exposed to any significant risk on cash and cash equivalents.

SELAH WAY FOUNDATION

NOTES TO FINANCIAL STATEMENTS
(Continued)

YEAR ENDED DECEMBER 31, 2019

NOTE 4 – FAIR VALUE MEASUREMENTS AND DISCLOSURES

Pursuant to FASB Accounting Standards Codification “*Fair Value Measurements and Disclosures (Topic 820)*”, the Organization reports its fair value measures using a three-level hierarchy that prioritizes the inputs used to measure fair value. This hierarchy requires that entities maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value of an asset or liability as of the measurement date. The three levels are defined as follows:

- Level 1 - Inputs are quoted prices in active markets for identical assets or liabilities.
- Level 2 - Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. This includes quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data.
- Level 3 - Inputs are unobservable for the asset or liability. Unobservable inputs reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

SELAH WAY FOUNDATION

NOTES TO FINANCIAL STATEMENTS

(Continued)

YEAR ENDED DECEMBER 31, 2019

NOTE 4 – FAIR VALUE MEASUREMENTS AND DISCLOSURES - Continued

The following table presents financial instruments that are measured at fair value on a recurring basis and are subject to disclosure requirements of ASC 821-10 as of December 31, 2019:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
ASSETS				
Money market funds	\$ 320,669	\$ -	\$ 320,669	\$ -
Total	\$ 320,669	\$ -	\$ 320,669	\$ -
LIABILITIES	\$ -	\$ -	\$ -	\$ -

The following methods and assumptions were used to estimate the fair value for each class of financial instrument measured at fair value:

- Short-term investments - The fair value of short-term investments, consisting primarily of money market funds, is classified as Level 2 as these funds are not traded on a regular basis.

NOTE 5 – INVESTMENTS

Investments, stated at fair value, at December 31, 2019 include money market funds (\$320,669). Investment returns, consisting of interest and dividend income (\$5,669) is reported on the statement of activities.

NOTE 6 – IN-KIND CONTRIBUTIONS

The Foundation is also the recipient of a variety of donated materials and services by volunteers for fundraising events and other activities; however the value of these goods and services are not measurable.

NOTE 7 – PLEDGES RECEIVABLE

Contributions receivable represent unconditional promises to give. The Foundation anticipates the timing of the contribution fulfillment according to payment schedules specified by donors. The expected amounts to be received during fiscal 2020 is \$50,896.

SELAH WAY FOUNDATION

NOTES TO FINANCIAL STATEMENTS
(Continued)

YEAR ENDED DECEMBER 31, 2019

NOTE 8 – DEFERRED COMPENSATION

Deferred compensation represents an accrual for the services of the Foundation's CEO/President for services rendered in 2019 according to the board approved employment agreement that will be paid in 2020.

NOTE 9 – NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions at December 31, 2019 (\$85,000) are available for the following purposes:

General Operations	\$ 50,000
Preventive Education and Training	<u>35,000</u>
	<u>\$ 85,000</u>

Net assets with donor restrictions of \$70,000 were released into operations during 2019 for fulfilling donor specified purposes as follows:

General Operations	\$ 50,000
Preventive Education and Training	<u>20,000</u>
	<u>\$ 70,000</u>

NOTE 10 – LIQUIDITY AND AVAILABILITY

The Foundation has \$450,310 of financial assets available within one year of the statement of financial position date consisting of cash of \$78,745, investments of \$320,669 and pledges receivable of \$50,896. Financial assets subject to donor restrictions are \$85,000 as of December 31, 2019.

NOTE 11 – NEW ACCOUNTING PRONOUNCEMENTS

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*. This standard requires increased transparency and comparability among organizations by requiring them to recognize lease assets and lease liabilities on the balance sheet and disclosing key information about leasing arrangements. The provisions of this standard are effective for fiscal years beginning after December 15, 2020 and early adoption is permitted. Management is currently evaluating the impact of adopting this standard.

SELAH WAY FOUNDATION

NOTES TO FINANCIAL STATEMENTS

(Continued)

YEAR ENDED DECEMBER 31, 2019

NOTE 11 – NEW ACCOUNTING PRONOUNCEMENTS - Continued

On January 1, 2019, the Foundation adopted, ASU 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, ASU 2018-08 clarified the guidance in ASC 958 on how entities determine whether to account for a transfer of assets as an exchange transaction under other guidance (e.g., ASC 606) or a contribution. The FASB also clarified that a contribution is conditional if the agreement includes both a barrier (or barriers) that must be overcome for the recipient to be entitled to the assets transferred and a right of return for the transferred assets or a right of release of the promisor's obligation to transfer assets. ASU 2018-08 is effective for transactions in which the entity serves as the resource recipient in annual periods beginning after December 15, 2018, and interim periods within annual periods beginning after December 15, 2019. The adoption of this standard had no material effect on the Foundation's financial statements for the year ended December 31, 2019.

On January 1, 2019, the Foundation adopted ASU No. 2016-18, *Statement of Cash Flows (Topic 230) - Restricted Cash*. This standard requires that a statement of cash flows explain the change during the period in the total of cash, cash equivalents, and amounts generally described as restricted cash or restricted cash equivalents. Therefore, amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalents when reconciling the beginning-of-period and end-of-period total amounts shown on the statement of cash flows. The provisions of this standard are effective for fiscal years beginning after December 15, 2017 for public business entities and December 31, 2018 for all other entities. The adoption of this standard had no material effect on the Foundation's financial statements for the year ended December 31, 2019.
