

Vanessa Morris is a graduate of the University of South Florida and co-creator of REAL TALK. She has worked in ministry and the anti-sex trafficking field for over the past 12 years. As the daughter of a survivor of sex trafficking, she has seen firsthand the impact that sexual abuse, shame, and secrets have on generations within a family. She was fortunate to be rescued by her family who helped her build a solid relationship with Jesus and gave her a passion for the Church. She is passionate about creating pathways for prevention, freedom, and inner healing in the Church, especially with youth and children. Vanessa is married to her best friend and has two sons.
